### Live Performance Video:

**Overview:** Dave Schoepke is a percussionist and composer working across hybrid drum set performance, integrating acoustic drums with synthesizers and processing. His work moves between composed material and improvisation, focusing on immersive listening environments rather than traditional drum performance.

#### Performance Formats:

- Solo hybrid performance (30–60 min)
- Collaborative/duo format
- Installation-performance hybrid (select contexts)

**Current Activity:** European dates include Dresden (Sept 12) and Berlin (Sept 17 — Djummi Records showcase), with additional routing Sept 13–19.

**Selected Release — Sun Will Follow:** <https://daveschoepke.bandcamp.com/album/sun-will-follow>

A drum-centered work blending percussion and synthesizer into immersive sound environments.

Press: “The album offers a series of interconnected chambers to get lost in.” — The Wire

#### Extended Bio:

Dave Schoepke has released 4 solo albums, recorded on over artists 50 albums and led the Blank Radio improvised recording series featuring 100+ artists producing 23 albums.

He performs in the experimental duo Felsteg and continues to develop hybrid performance systems.
